Warsan Village

April 2023

Dear residents,

I hope you have enjoyed a wonderful and joyous Eid break with your friends and family. The first quarter of 2023 has been promising and this is already a very exciting year of opportunities for all of us at Nakheel Community Management (NCM).

While 2023 is officially UAE's Year of Sustainability and COP28 is being hosted in UAE later this year, NCM is releasing its first Sustainability Report that compiles several green practices and initiatives we have incorporated into our business over the last year. As community managers, we will continue to focus on environmental sustainability by inspiring a community-wide commitment towards sustainable practices, in line with the national strategy.

I am proud that our communities are home to people from all over the world, from different backgrounds and cultures. In order to ensure that our properties and facilities are respected and used in the best way, this edition features a refresher on your community rules and guidelines. This will help establish what we need to practice as a community and as responsible neighbours.

With the hotter months almost here, it's also the best time to run a comprehensive home health check, especially on your air conditioning systems and plumbing fixtures, with a handy annual maintenance contract to keep you covered.

Your community usage charges are a key element in ensuring that your neighbourhood and its related assets run as per clockwork. This year, we have issued information packs to homeowners, which detail the budget components and compare them with the previous year's charges, while providing a visual sense of the operational and social achievements in your community. Don't miss our special article on this topic.

We are also proud to have won our first international award for Best Business Change and Transformation at the International Business Excellence Awards 2023, for our journey in building happiness and prosperity in our communities. Nakheel was also certified as a Great Place to Work™, giving us the right mix of talent and training to serve our customers.

Read all about our plans and check out our feature on the community management team looking after your community. We are now on WhatsApp too and we welcome your feedback and suggestions on this new channel too.

Wishing you a safe, happy, and healthy summer.

08 NCM News and Updates

Your Community Updates

Your community is continually being maintained and enhanced to make it an even better place to live and visit. Here's a quick look at the last quarter's highlights.

All Things Green and Beautiful

Roadside landscaping has the charm of blending concrete into the surrounding greenery seamlessly. And that's what our landscaping experts have been nurturing across the parkways of each block in Warsan Village before the onset of summer.

The lush zones got a splash of colour with sesuvium, reullia, and bougainvillea spread across a lush ground cover that promises to make your drive brighter and more welcoming. These are accompanied by the ornamental fountain grass that lends a vertical dimension, complemented by the hardscaping arrangements of gravel and pebbles – adding structure and visual interest to the open space design.

Meanwhile, irrigation networks serving the landscapes were flushed for smooth and uninterrupted flow.

Solar Power Lights Your Streets

30 streetlights lining roads in Warsan Village have been upgraded with new solar batteries, that will help store excess energy for night-time visibility and well-lit views on a cloudy day.

This is one of our green steps in reducing energy costs and ensuring a sustainable and efficient community like yours.

Spring Cleaning Exercise

A clean community promotes the safety and well-being of its residents, visitors, and anybody driving into the neighbourhood. And that's why the recent week-long community-wide deep cleaning exercise has been an important schedule for us.

The NCM team supervised the fleet of manpower that was deployed for waste removal and overall cleanliness. Meanwhile, dedicated teams tended to the sprawling landscaping, and an additional crew inspected and cleaned the community streetlights dotting the roads.

Meet Your Community Management Team

We're delighted to introduce your community management team to you led by Anas Bunian, who oversees the Warsan Village portfolio.

He is supported by Majid AlKhalaf who manages the community operations, Fayaz Ahmad who supports the infrastructure operations, Ahmad AlSadeh who looks after day-to-day functions, Abdul Mubeen who supervises the facilities management and Babar Javed who manages the landscaping services for the community.

You can reach out to the team at **800 NAKHEEL**, help@nakheelcommunities.com, or at your community office in Dragon Mart, First Floor, Next to RAK Bank.

What Makes Your Community Sustainable?

We Switch to Sustainable Options

We have replaced halogen/sodium vapour lamps in our streetlights with LED installations to reduce power consumption.

We Employ Technology in Operations

Your community landscaping is irrigated through smart irrigation systems.

We Educate

We collaborate with our service providers to raise awareness of recycling and green habits for living.

We Segregate

Four-stream recycling stations in addition to the new two-stream bins in common areas allow residents to safely dispose of cans, plastic, glass, and paper.

Your Community Events

LiveWell with **NAKHEEL**

The first LiveWell with Nakheel Wellness Festival kicked off on 28 January with co-curator Irina Sharma moderating talks, essential oils workshops by experts, children's activities, morning yoga classes, body image sessions for teens, and a lot more. The festival was a celebration of all aspects of the health and wellness industry - Balance. Nourish. Move. Relax. Evolve.

The March edition was a special session on hormones through aging, menopause, disease, or trauma. Here is a glimpse of our speakers, sessions, audience interactions, and highlights from these editions.

The momentum continues and we look forward to more exciting topics in the upcoming months. Stay tuned to our updates on www.livewell.nakheelcommunities.com.

Till then, live well.

TLC for your Home

Time for a Home Health Check

Your home needs constant upkeep and maintenance to keep it in its prime and pristine condition just like your community. Add these items to your home maintenance checklist for a stress-free summer.

- ▶ Appoint a certified technician to check your smoke detectors and fire alarm installations.
- ▶ Schedule pest control to ward off any pests and bugs.
- ▶ Treat prolonged water leaks by fixing clogged drains or damaged water fittings.
- ▶ Service your HVAC unit for a smooth summer run.
- ▶ Sign up for an annual contract with a reputed general maintenance company to keep a tab on your mechanical, electrical, and plumbing systems.

Stay covered with the right insurance

It's never too late to invest in insurance that covers your prized home and possessions and gives you the peace of mind you deserve. Contents Insurance does just that in the event of the unexpected – be it a theft, fire, or water leakage.

With a good plan, you can protect your home and your belongings including your furniture, electrical appliances, soft furnishings, and even paint finishes on your walls and ceilings. Some contents insurance plans start as low as AED 200 a year, based on the coverage required.

What is covered under community insurance?

Community insurance only covers the common areas such as roads, amenities, signage, streetlights, walls, and irrigation systems. Contents insurance is the sole responsibility of a resident.

Five Steps Towards Good Air Quality

As temperatures rise, it's time to turn the air-con back on again. Here's a quick checklist for you to prepare your home's air-conditioning system ahead of use.

- ▶ Clean the air filters. Remember, poor indoor air quality can affect your health.
- ▶ If you have an outdoor unit, check for debris or dust accumulation.
- ▶ Test the system to ensure that there is no noise or odour generated.
- ▶ Ensure that electrical plugs and sockets are of standard quality, to avoid short-circuits or fire accidents.
- ▶ Open the windows and doors of your home, when weather and outdoor air quality permit.

Storing Household Chemicals

Chemicals are a common sight in most households, from cleaning agents, paints, and thinners to pesticides. But these can pose a health and fire hazard, if not handled with care.

- ▶ Understand the warning symbols – they indicate that the product could be hazardous.
- ▶ Follow the safety information and directions, when using the materials.
- ▶ Open a nearby window to ensure adequate ventilation, when using the chemicals.
- ▶ Choose low-emission paints, varnishes, and glues, wherever possible.
- ▶ Store chemical products in their original containers.
- ▶ Store flammable materials in fire-rated containers and away from combustible materials.
- ▶ Lock and keep these chemicals out of children's reach.
- ▶ Dispose of household hazardous waste products safely.

We are now on WhatsApp

We have just launched a new channel to engage and interact with our customers.

You can now reach us on WhatsApp at **800 NAKHEEL (6254335)** for raising maintenance requests, community usage charge updates, general queries, and feedback.

All it takes is a message to **800 NAKHEEL (6254335)** or **+971 800 NAKHEEL (for international customers)** to get help or information for your queries.

Stay tuned for more updates.

Our Sustainability Report for 2022 is Releasing Soon!

Stay Tuned!

Fuelled by Community Usage Charges

Community usage charges exist so that your community can be effectively maintained and enhanced to its highest standards. Quite simply put, it ensures that all the activities behind the scenes take place like clockwork.

With the recent issuance of community usage charges to homeowners, on-time payment of these charges is important. These rates are vetted by independent auditors and approved by the Real Estate Regulatory Authority. A delay in settling your usage charges on time has an effect on the operations of your community, as funds are required to pay service providers, utility bills, and community enhancements.

Pay your usage charges today using the **MyNakheel app**, or via bank transfer.

Community Rules Refresher

Your community is governed by Community Rules, which aim at creating an environment in which all residents can maximize the enjoyment of their community and amenities.

These rules intend to create a serene, attractive, and safe environment for the families, children, neighbours, and visitors of the community and master community. Browse through all the applicable rules and regulations of your community on www.nakheelcommunities.com.

Residents' Recipe Corner

There's nothing like a tropical summer salad to beat the summer heat of 2023. Our resident, Deborah Schipper whipped up a delicious summer bowl and sent us the recipe.

It's called the **Palm Hearts Tabbouleh**.

Ingredients

- ▶ 1/2 cup bulgur
- ▶ 1 cup diced cucumber
- ▶ 1 cup diced tomato
- ▶ 410g can of palm hearts (drained and sliced)
- ▶ 1 teaspoon sea salt
- ▶ 1 large bunch of flat-leaf parsley
- ▶ 1/3 cup chopped fresh mint
- ▶ 1/3 cup thinly sliced green onion
- ▶ 1/3 cup extra-virgin olive oil
- ▶ 3 tablespoons lemon juice
- ▶ 1 medium clove garlic, minced

Preparation

- ▶ Prepare bulgur according to package instructions.
- ▶ Combine the diced cucumber and tomato in a medium bowl with salt and let the mixture rest for at least 10 minutes.
- ▶ To prepare the parsley, cut off the thick stems and finely chop and add to a large bowl. Add the cooled bulgur, chopped fresh mint, and green onion to the bowl of parsley. Strain off and discard the cucumber and tomato juice that has accumulated in the bottom of the bowl (this ensures that your tabbouleh isn't too watery).
- ▶ Add the strained cucumber and tomato to the bowl. Add sliced palm hearts.
- ▶ In a small measuring cup or bowl, whisk together the olive oil, lemon juice, garlic, and salt. Pour it into the salad and stir to combine. Taste, and adjust if necessary—add another tablespoon of lemon juice for zing, or salt for more overall flavour.

This serves six people.

Author's special note: Add the delicate flavour of hearts of palm to tabbouleh. These vegetables look like white asparagus and taste similar to artichokes. Palms hearts are harvested from the core of some species of palm trees and are perfect for summer salads.

Road Safety Advisory

With safety and wellbeing remaining our priority, we've teamed up with the Roads and Transport Authority (RTA) for a series of initiatives to remind, educate and enlighten residents on all things road safety.

The campaigns include motorist, pedestrian, and e-scooter safety, with handy tips on keeping our roads and people safe. RTA will also join us at some of our community events this year to provide guidance and advice to all road-users.

Free Household Junk Collection

A round of spring cleaning brings out the old and forgotten items that your home has harboured for long. Bidding goodbye to these items is a step easier. We have partnered with junk collection agencies to help you get rid of unwanted household items, free of cost.

What can you junk for free?

Old couches, clothes, office/home/garden furniture, toys, kitchenware, exercise equipment, linen, toiletries, electronics, mobile phones, home appliances, books, bicycles, cardboard, and faded carpets.

Gather your items and book a collection slot today by contacting **Take My Junk** at **800 5865/050 179 4045** or **Remove My Junk** - **055 549 1122**.

Give your pre-owned items a new lease of life.

Another Feather in our Hat

NCM was honoured at the International Business Excellence Awards (IBXA) for our commitment to operational excellence and adherence to high standards.

We emerged in the top position winning gold in the 'Best Business Change and Transformation' category.

This is a testament to our evolving goals, implementation of transformative strategies, and success in producing proven qualitative and quantitative results.
